

Now, more than ever, Jonathan Pollard desperately needs our help. After 23 years in federal prison, it is time for him to go home to Israel to his family. Our daily phone calls, faxes, and letters to the President can help make that happen, so visit www.freepollardnow.com today and every day.

With less than two months until President Bush leaves office, time is of the essence. It is critical that the White House hear from as many people as possible in the next several weeks.

Go to www.freepollardnow.com today and help us secure Jonathan Pollard's freedom. By speaking to the White House with one collective voice, we can help ensure that Jonathan Pollard's disproportionate sentence is commuted before President Bush leaves the White House on January 20, 2009.

Just 60 seconds a day can help Jonathan Pollard go free. He needs your help now.
